Board of Education

The governing body of the Swanton Schools is the above group, the Swanton Board of Education. President Robert Bowman and the other members of the board set the policy of the school, hire personnel, provide buildings and equipment, and budget the available money.

Recently an association of the Boards of Education of Northwestern Ohio was formed to discuss common problems. Swanton's board has been very active in this group, one meeting having been held in the local gym in October.

Another change this year was the consolidation of the Swanton Township School with Swanton Village. Chester Sadowski was elected as a result of the resignation of Durbin Noe. Mr. Sadowski is from the Swanton Township area.

As this group serves without salary, let us all appreciate their efforts and accomplishments and we know that, then, they will keep up their good work.

The Girls' Athletic Association is under the leadership of Miss Faye Brandon, girls' physical education teacher.

We started the season with a softball tournament between the Ramblers and the Corvettes. This series of games was very interesting from the Corvettes point of view because they won every game. However, the Ramblers took their defeat in stride, proving that the purpose isn't necessarily to win, but to have played a good, clean game.

We plan to have volleyball and basketball tournaments in the new gym and possibly play some other schools in this area.

Our financial problems are solved by operating concession stands at our home football and basketball games and by sponsoring dances and other activities.

The officers were: Bonnie Hagerman, President; Norma Wiles, Vice President; Dawn Tavtigian, Secretary; Marilyn Tuggle, Treasurer; Myrna Hallnan, Sports Director; Ohma Willette, Concession Manager

The Junior Girl's Athletic Association was instituted in September of 1956 to accommodate the growing number of girls interested in the athletic club. The Jr. GAA consists of freshmen and sophomores who have become eligible by fulfilling requirements established in the constitution.

The intramural program provides many evenings of wholesome, competitive entertainment. The fall program consisted of softball. The team captains were chosen by members of the club and they drew their teams. The winter program included basketball and other sports. The choices were made by the vote of the club.

The officers were: Janet Craig, President; Sandra Spealman, Vice-President; Anita Sharples, Secretary; Sue Thomas, Treasurer; Margaret Pawlaczyk, Program Chairman; Mrs. Leona Sloan, Advisor.

The Senior Y-Teens is a branch of the YWCA and is composed of junior and senior girls. Our aim is to give the girls a better understanding of the Christian way of life and to help them to understand their friends, neighbors, and family. To help achieve this goal we invited guests to our meetings to speak to us about the different problems we have.

During the year our extra club activities included a meeting of all three Y Teens clubs for a lecture and colored slides of Japan. We also had our informal initiation new at the home of our advisor, Mrs. W. W. W. We had a Christmas party which was a pot-luck dinner and we exchanged gifts. At Easter time we sponsored the program over the public-address system. At the end of the year we had a farewell breakfast for the senior girls.

Our officers were: Barbara Ford, president; Aerelle Hackley, vice president; Janet Kottvick, secretary; Dorothy Fuller, treasurer.

SCHOOL PRIDE

Every student has a certain amount of pride in his school. This pride is very strong at many schools, but there seems to be a lack of it at Swanton High. A possible reason for this is that the students feel there is nothing to be proud of. They are wrong to think this way, for we have much to be proud of at Swanton High.

The first thing is that our Swanton Bulldogs are the Northern Border League football champs. Many of the seniors have waited four years for a championship team. We also can be proud of our wonderful coaches and the great job they have done.

Everyone at SHS can be proud of our new gymnasium. I believe any school in this area would be proud to have a gym like Swanton's. I overheard two Wausau basketball players agreeing that our gym was the best in the league if not the best in the area. To me this is proof that we can be proud of our gym.

It seems that some students do not care much for our new gym because already there are rules about its care. Scratches are easily gotten on the floor so no street shoes and scuffing about. Use your head not your heels.

There are many other signs of lack of school spirit such as the lack of every in the boys' restroom. Too often a little joke like this looks like a bad one. Swanton High may not be a perfect school but surely there are enough good things that all of us can have more pride in it.

This year the Camera Club was composed of sixteen members and our advisor was Mr. Greene. Thus far, we have gone on a field trip to Oak Openings and we have seen a few colored slides of the field trip.

During the course of the year we plan to have a money making project so we can have a Christmas party and to get films, telling how to operate a camera. We'll also have a snap-shot contest within the colder months, then later in the year we'll have more field trips and a farewell party.

Officers of our club were: president, Bob Hilty; vice-president Larry Howard; secretary, Jim Leu; treasurer, Bill Wahl.

The Photography Club is composed of juniors and seniors who have a mutual interest in photography. The director of the club is Mr. Daniels.

The photography club works with the annual staff in many ways. The club takes pictures of the various school organizations in action. A member of the club is usually present with the press camera at all important school activities to take pictures. Many of these pictures are used in the yearbook.

Every year the club has a picnic near the end of the school year.

One of the club's projects is to take group pictures of the grade school classes. The finished pictures are made available to the grade school students.

The officers were: John Hennings, President; Michael Robbins, Vice-President; Bill Daniels, Secretary; Wayne George, Treasurer.

The L. A. Walker Future Teachers of America is composed of students who have considered teaching as an occupation. The sponsor of the club is Mr. Radebaugh.

In May the F. T. A. holds its annual banquet. At the banquet the members who have earned points are presented their awards. These points are earned by the members for substitute teaching, assisting a teacher, teaching a Sunday School class or performing any F. T. A. work.

The junior and senior members of the club attended the Pre-teacher Day held November 13, at Bowling Green State University. They toured the campus and were able to talk with the professor who instructs the branch of teaching they wish to enter.

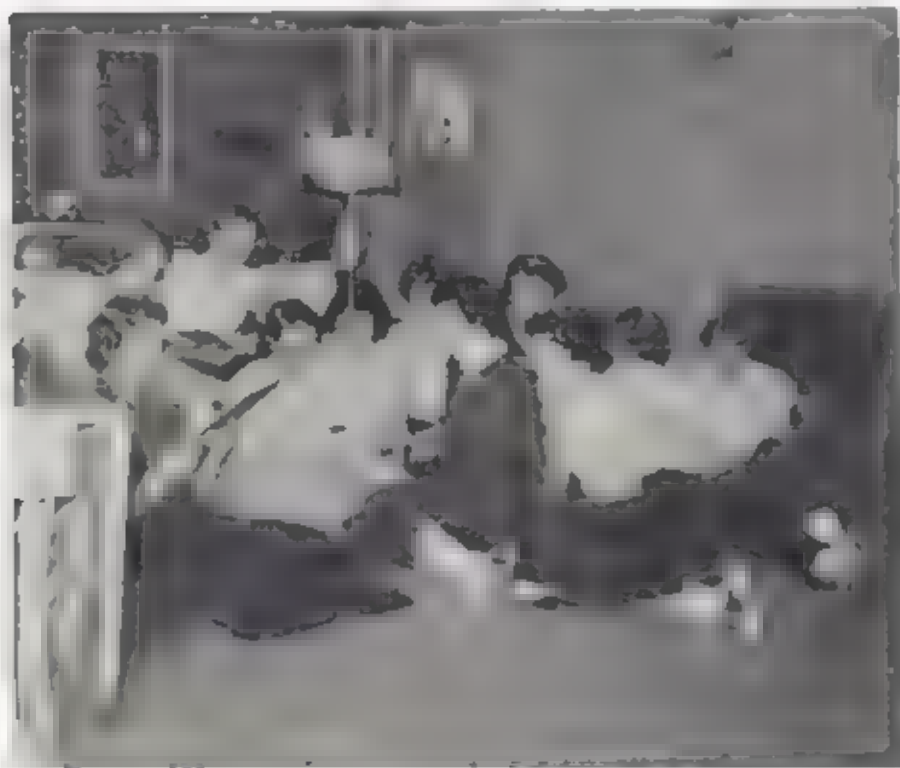

The officers were: President, John Hennings; Vice President, Pat Bigsby; Secretary, Jane Hennings; Treasurer, Phyllis Wiland; Historian, Anita Sharples.

This is the first year for the Future Nurses Club and it is working out very well. The club consists of twenty-four girls all in high school.

The officers were: President, Irene Harding, Vice President and Treasurer, Ardyth Mohr; Secretary, Darlene Jeska; Publicity Chairman, Lynn Lawecki; and Sergeant-of-arms, Penny Sturtevant.

Our meetings are held twice a month. The first meeting of the month is our social meeting and the second is our professional meeting. Our meetings are held in the home of one of the members.

Early in the year our club had a hayride and a Halloween party, which was enjoyed by all who attended.

On December 15, 1956, we were invited to Maumee Valley Hospital for a tour of the hospital, the nurses home, and for dinner which was followed by a dance.

We plan to visit one hospital every month, which should prove to be interesting.

The F. H. A. consists of a group of about thirty girls under the direction of Mrs. Giles. This year the officers are: President, Lois Barnes; Secretary-Treasurer, Dorothy Merrill; Parliamentarian, Joyce Mapes; Historian and News Reporter, Shirley Wilson; County Officer, Pat Weiss.

The activities of the year have included a potluck dinner opened to old members and new prospective ones with an installation of officers; Christmas caroling followed by a party and gift exchange; a Valentine Party; a field trip through a bakery in Toledo; a skating party, and a picnic. The money making project of the year was selling cookies at the basketball games.

The Art Club was formed to enable students to learn more about art. Painting, lettering, and perspective drawing are some of the areas studied.

Water colors, oils, and tempera paints are all used in painting. Every Christmas the members paint various scenes on the library windows, each student choosing a different motif to paint.

In perspective drawing the members learn how to sketch and draw the angles of various unusually-shaped objects.

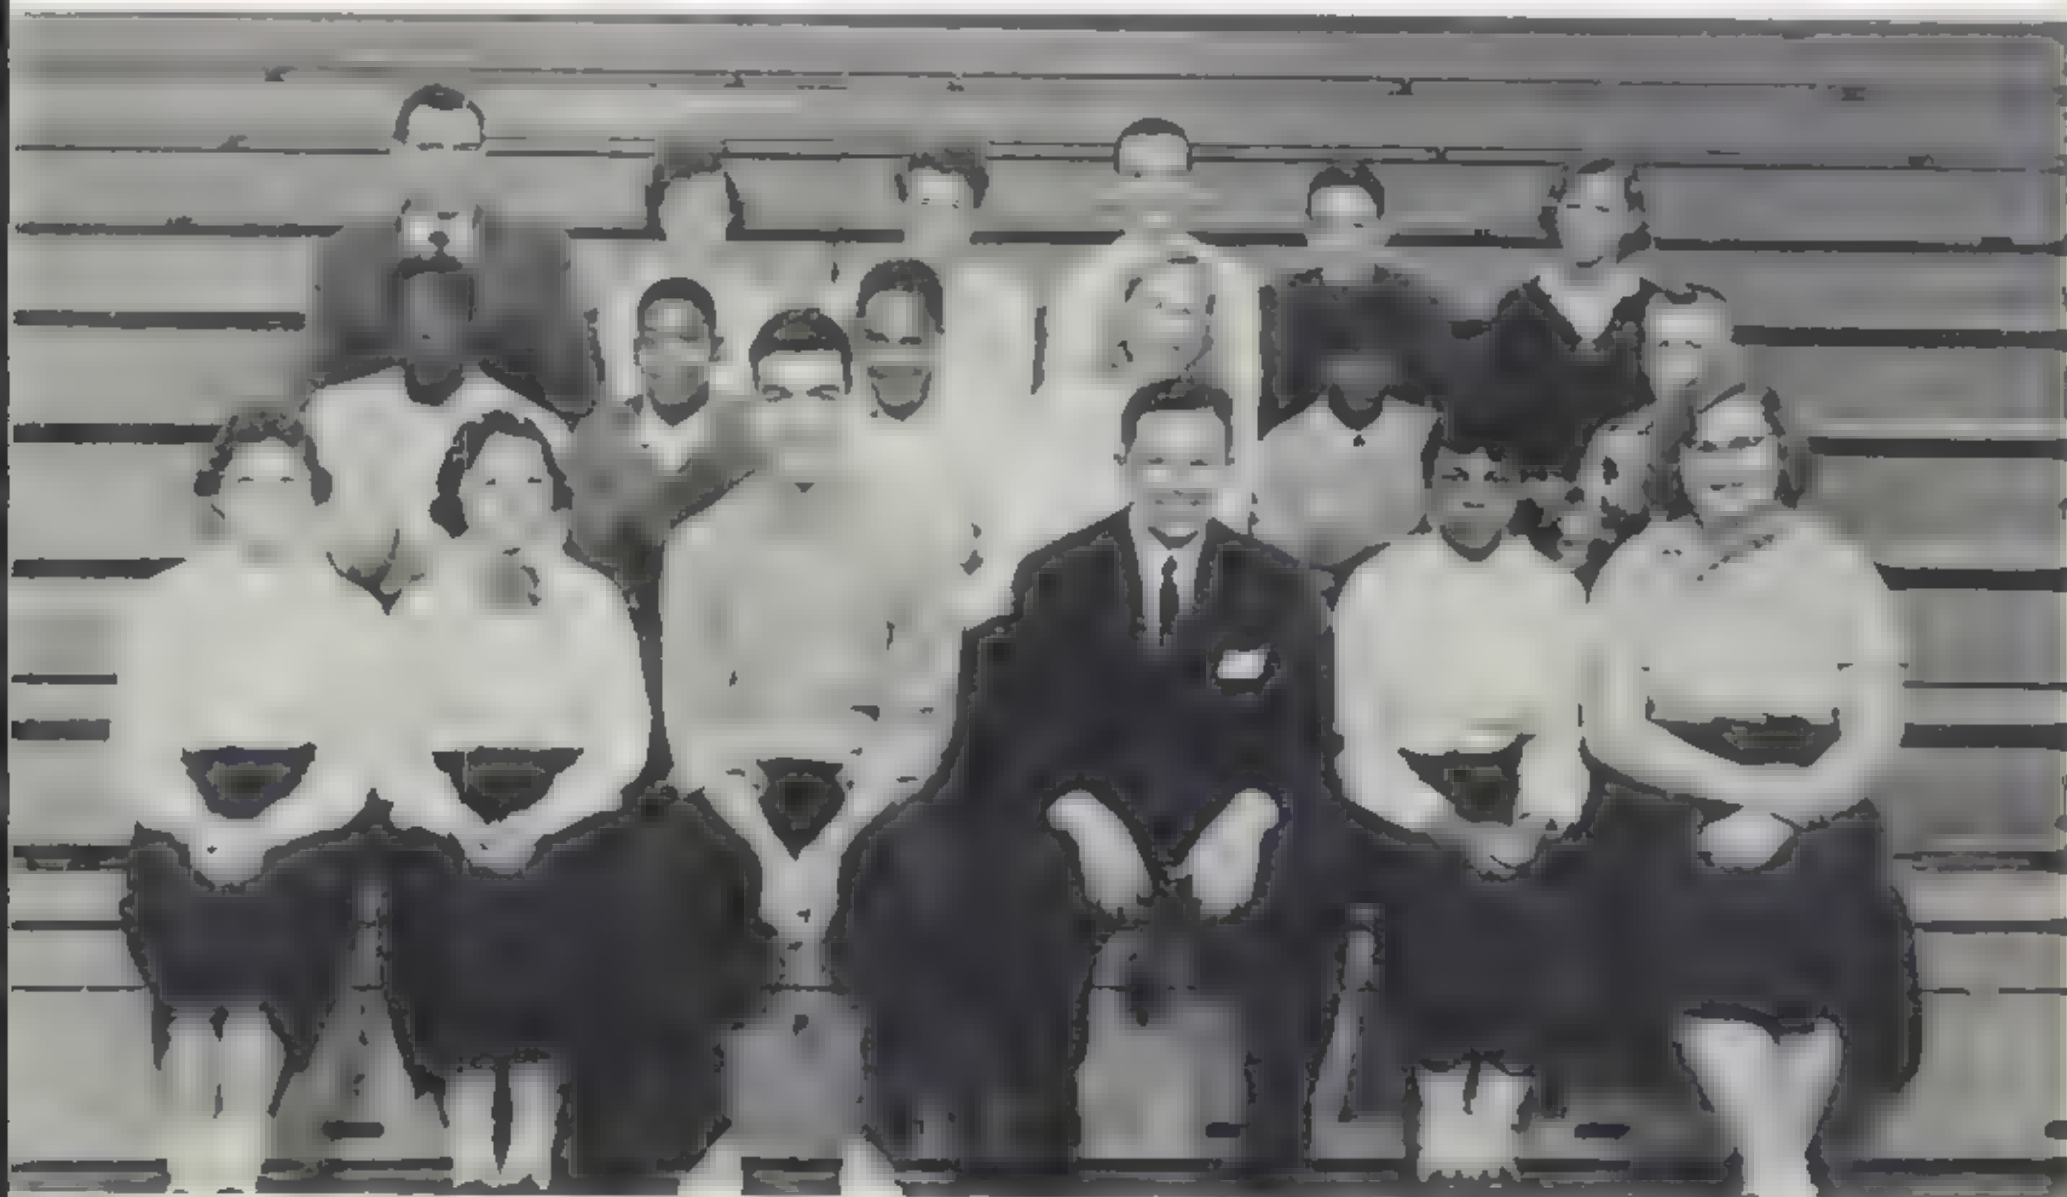

English script and black writing are most commonly used in lettering.

The Science Club is one of the newer clubs of the school. It was started three years ago, and that year we spent most of our time organizing the club. That first year we had some dinners and a field trip at Oak Openings.

The second year the club grew a little and we started planning things we could do. We had one major project and that was to clean up and fix the room where the civil defense supplies are stored. We put tile around the room to drain off the water; then cleaned out the room and painted the walls. That year we also had a man come out from Toledo to show us a film and talk to us about civil defense. Besides having field trips and suppers that year we bought an aquarium for the school.

This year the club is almost twice the size it was before. We have elected officers and they are: Jim Noe, president; Guy Sutherland, vice-president; Bob Pfaff, secretary; Joe Torok, treasurer

At the end of the school year, the band members began to think of the summer program. We marched for the Memorial Day parade. Mr. Girtten set up a schedule, with a practice every Monday evening. We participated in parades at Ottawa, Wauseon, Delta, Liberty Center, the Fourth of July, and Corn Festival at Swanton.

This last summer two band members, Janet Craig and Sue Thomas, spent two weeks at Miami University in a music class.

Two band members, Janet Craig and Joycemarie Brick, played in the Northwestern Ohio District Orchestra this past fall.

For the past four years, Wayne's Sohio Gas Station has let the band run the station for one Saturday in the fall. Each one of the band members works a three hour shift, pumping gas, washing windows, and washing cars. All the profits go to the band.

This year there is a larger group going to the District Contest. The ones with a superior rating will proceed to the State Contest. Also each year students are picked to play in the County Band which performs at the Fulton County Music Festival.

Band Mothers officers are: Mrs. Bower, president; Mrs. Stukey, vice-president; Mrs. Purdy, secretary; Mrs. Schudel, treasurer.

Band officers are: Wayne George, president; Janice Noe, vice-president; Joanne Noe and Joycemarie Brick, board of officers.

N.B.C. CHAMP

The record of the 1956 Swanton football team is one that everyone can be proud of. The Bulldogs led by rookie coach Jim Stahl maintained a 5 - 2 - 2 record which was good enough to gain them the title of Northern Border Conference Champs.

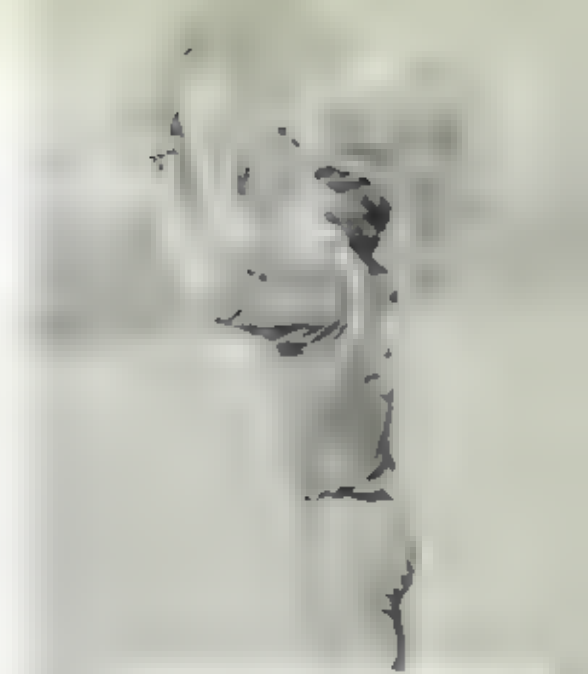

Many Swanton team members were given positions on the Northern Border Conference League: Jim Johnson, offensive and defensive end; John Camp, defensive back; Ron Dixon, offensive center; Don Sturt, offensive fullback and defensive middle guard; Milo Hilty, offensive guard; Wayne George and Leo Kuhn, honorable mention.

The managers of the team were Mike Robbins and Mark Norwine.

Class Prophecy

One day I was cruising around in my jet propelled plane and was wondering what my '57 classmates were doing. That night I had a dream about the future. It was so interesting, I can't keep it to myself so I'll spill the beans.

The first thing I saw was the headline---FIRST MAN TO RE-34 PHOTO. Who could this be, none other than our own Guy Sutherland. The atomic powered rocket was designed by the 2nd Einstein, Ed Schiener.

Head doctor at the Swanton Hospital is Onma Willette, who is one of the best brain surgeons in the country. Head nurse at the hospital is Irene Harding who jamored in obstetrics.

Other scientists to come from the class of '57 are John Hennings and Leonard Malec, who designed the interplanetary space station, half way between Venus and Mars.

Money for the hospital was donated by Mr. Charles Purdy II, owner of the Purdy Clothing Store for men. Mr. and Mrs. Purdy are the proud parents of twin boys. Mrs. Purdy is the former Myrna Hallnan.

Who should I see playing with the world's Champion Football team, the Cleveland Browns, but Harold Pitts, Ted Szovi, Joe Duran, and Leo Kuhn, all who graduated from Yale.

WANTED: waitress, apply in person to Mary Leu, owner of the new P & G Grill. She must be neat, reliable, and have a nice personality.

Mr. Dwight Wallington is now running for governor of Ohio. His opponent is the present Governor, Mr. Micheal Tressler. Dwight is running on the Democratic ticket and Mike on the Republican.

FLASH! Mr. and Mrs. James Johnson are the proud parents of their 3rd set of twins. Mrs. Johnson is the former Janice Noe.

Barbara Fauble, Margie Leffel, and Judy Clark are models for the famous NEW YORK MODELING AGENCY. They appear in many magazines and on many of the covers.

I also see that John Camp and Ron Dixon are outstanding in the field of tennis. They hold the Davis Cup and the Wimbledon Championship for men's doubles. Each have many trophies for singles championships, too.

Larry Sunday now has his own television program which took the place of Liberace's. Of course, Larry plays the piano and sings.

Working in the Ballistics Department of the Federal Bureau of Investigation is Lynn Laweckl. She always was interested in crime. Last year she was cited as the most promising young criminalologist.

Joanne Noe has just become engaged, to who? Maybe you know him. He is a millionaire from New York, Myron Smitley, who is formerly from Swanton. See girls it pays to wait.

It seems Joycemarie Brick is still undecided. She can't make up her mind between Harold Zenk, Charles Kruez, or Victor Langenderfer. Time is passing by, Joycemarie, you better hurry.

The new Weight Lifting Championship of the world is now in the hands of America's, Mr. America, Don Sturt. Mr. Sturt also won every event in the last Olympics. #OW! What a man.

Would you like your house redecorated? For a recommended interior decorator, contact Norma Sales. Her prices are very reasonable, especially for the every day worker.

The other day I went to have my hair dyed, so I decided to go the new beauty salon. I was very well satisfied with the job which Lois Barnes did on my hair. I would recommend her work to anybody who would like to have their hair done.

June Gladfelter and Dorothy Drewyor are physics teachers at B. G. S. U. They graduated from Ohio State, and belong to the honor sorority, Phi Beta Kappa.

If you should happen to visit the Co-ed Gymnasium, you would see Harvey Beavers and Mary Griffen working with their members. They started this gym about three years ago.

I see that the Kethel Business School has over 500 students now. The school is owned and operated by Miss Rosemary Kethel.

Bill Kline, Harold Heath, and Tom Krause have just finished their 25th trip around the world. They are co-authors of the series, "Live and See the World". The books are filled with true experiences that they had on their many trips to different and intriguing lands.

Miss Janice Bloomer has just returned to the Belgian Congo, where she is a missionary. She was home for the summer months to visit her parents.

Everett Arnold, Ken Babcock, and Larry Daubenmeyer now own farms of 1000 acres each. Everett is strictly a cattle raiser, Ken a dairy farmer, and Larry a produce farmer. Each of them are cogitating on buying more land.

President of the Ditch Diggers Association, Inc. is Danny Brown. His main office is located in Columbus, Ohio, but has another office in Toledo.

Swanton students are now eating meals which are planned by Dawn Tavigian. Dawn graduated from Ohio State, where she majored in Home Economics.

Pat Bigsby has just received her degree from law school, and has just won her first case for the state. She always could talk fast and in circles so nobody knew what she was talking about. Good Luck, Pat.

Hot Rod King of the U. S. A. and the world is, as you might guess, Terry Vance. Terry was quite a hot rod in his high school years.

Not very good at your bookkeeping? Barbara Ford is now a public accountant, and has her own office in Toledo.

Millicent Fisher now has a full-time job modeling for the weekly issue of Boy's Life. Read the magazine boys and you will see why Millicent received the job, through her hard work and the effort she put forth.

Herbert and Olin Reynolds have now formed a joint establishment of Janitors Inc., working out of Swanton High School.

Jean Mikola has a new pop company called the Hi-Mi Kola Company. It is a pop similar to Pepsi-Cola. Jean used to drink a lot of Pepsi, but didn't like the taste, so she invented a drink of her own.

Now working for the United Air Lines is Priscilla Witker. She graduated from the Gale Institute in Minneapolis, Minnesota.

If you should happen to go into the millinery shop in New York, you might buy a hat designed by Richard Tulk. He designed a very special hat for Hedda Hopper of Hollywood, the famous columnist.

Mike Robbins is the owner of his 21st new Mercury, apple grey and chartruese. He is one of the leading salesmen of the Irv Pollock Mercury dealer in Toledo.

The Air Force has two of our graduates. Wayne George and Milo Hilty are setting many of the new records for the Air Force. They have been in 10 years so far, and I guess they are planning to make a career of it.

Sharon Muller now has her own cigarette manufacturing factory. It is called the "Mules". They are a new kind of cigarette which are extra king size.

Howard Enyle bought some land in Alaska, and found a rich vein of gold and silver at one end and at the other end is a rich deposit of uranium.

As I passed over Swanton, I noticed many washings in many of the yards. I caught a glimpse of the housewives, and recognized them to be: Joan Arnold, Pat Edwards, Carole Franklin, Bonnie Lemmon, Louise Taft, Janet Dummerling, and Carol Ward.

Now entered in the Olympics for the U. S. is Kent Judson. Track is his specialty. He ran the mile in 1 1/2 minutes, to win the U. S. title.

Bonnie Hagerman is now a private secretary to one of the wealthiest men in Toledo, Mr. Tiedkte V. She has her own Cadillac, her own home in Lincolnshire, and is still single.

Beverly Frost had a goal to raise a big family and it seems it has been fulfilled. She is now married and has a family of an even dozen children.

Janet Ketrang is still working at Oak Openings Restaurant. She says she'll probably work there until she gets fired, and then she'll become a secretary.

Others who are married are Eileen Hill, Aerille Hackley, Bernice Bias, and Betty Elkins. I can't give you their married names because I don't know who they married.

Leonard Kreuz is now the most sought after bachelor in Hollywood. Millions of girls have tried to get him to the altar, but he turns around and runs the other way. Too bad, girls, he just won't stand still.

Well, kids, that is all. I just heard reveille call. Nice dream anyway. Off to breakfast I must go.

Jr. Class Play

FRONT ROW: Mr. Yonkers, Bob Merrill, Bill Daniels, Dick McQuade, Jim Noe, Jim Banks
SECOND ROW: Karen Peterson, Jean Bryan, Peggy Froman, Marilyn Tuggle, Carole Copeland

The Junior Class this year presented the three act play "Closed Lips" on November 19, 1956. The romantic leads of the play were Peggy Froman and Dick McQuade, with comedy provided by Jim Noe and Marilyn Tuggle as husband and wife. Carole Copeland and Jim Banks played Southern Darkies. Prizes for dramatics go to Bill Daniels, Karen Peterson, and Bob Merrill. Jeannie Bryan played an orphaned waif.

The play was directed very capably by Mr. Yonkers.
